MEET OUR NEW INTERNATIONAL STUDENT ADVISOR

"Hi, my name is Sarah Driscoll and I am excited to join the ISO team! I have over 10 years of experience advising and supporting international students and I am looking forward to meeting the UNH students. I taught English abroad in Spain for four years and I am excited to be back in my home state of Connecticut after years living in New York City, Barcelona, and Boston. I have traveled to more than 30 countries in Europe, Africa, South and Central America, and love trying cuisines from around the world. In my free time, I love to cycle, go to concerts, paint, and travel to new places."
